Dear Court,

I talked to Tae Hoon Kim, my attorney when represent signed lease on Oct 2018 with Noah Bank, he decline to represent me , he told me that he does not have litigation experience.

I also talked to Peter Jeon Manhattan attorney that Peter is still thinking to accept me as his client or not, because I asked him as contingency fees basis for legal fees.

I still want you to represent me if court can accept, otherwise. I have to wait to hire Peter Jeon as contingency fees basis.

Sincerely,  
Chung Kang Lee  
Managing Partner
